Experience

North | Studio Digital | 2026 – Present.

UX Senior Designer Associate

Product Designer for CaixaBank, on their BNPL app and web used by **over 500K users** in Spain, **leading a team of 4 people**. I work on complex, regulated financial flows, turning them into intuitive experiences. **I integrate AI tools into my workflow to research and decide faster.**

DDB Spain | Global advertising agency | 2022 – 2026.

UX/UI - Team leader

I led the **UX/UI team at DDB Spain for ALDI**, driving user experience improvements and integrating AI tools into the design process. The result: **25M visits across app/web, with +27% growth in app visits.**

UX/UI - Product designer

Responsible for the user experience (UX/UI) strategy, digital design, and creative direction at **DDB Spain for ALDI supermarkets.**

MANIFIESTO | Advertising agency | 2021 - 2022.

UI and Digital Designer - Art Director

I worked with major brands developing effective digital solutions for **Fundación "la Caixa" / CaixaBank / Banca Privada (CaixaBank).**

PIXEL | Design studio | 2018 - 2021.

UI and Digital Designer - Art Director

Responsible for creating and defining new digital strategies and solutions. I led numerous projects for brands such as: **BEKO, FGC, HAIER, Relec, Sequra, and others.**

SEAWAY | Fashion e-commerce | 2015 - 2017.

UX/UI - Product Designer

I redesigned the e-commerce (web/mobile) of this traditional Brazilian boardshorts brand from scratch, targeting new customers. **The result: we went from selling 1 to 32 boardshorts a day in 6 months.**

DOMO | Fashion e-commerce Startup | 2015 - 2017.

UX/UI - Product Designer

I worked on building a fresh, **new visual experience for e-commerce users**, collaborating directly with fashion designers and developers to achieve the best user experience.

CIDIZ | Fashion e-commerce Startup | 2013.

Design Coordinator

Responsible for coordinating the graphic and digital visual identity of this fashion brand, **creating a coherent identity across all touchpoints between the brand and the customer.**
